The screenshot shows a web browser window with the title '元智大學校外 KMS 認證'. The address bar shows 'https://mskms.yzu.edu.tw/index.asp' with a red circle '1' next to the back arrow. The page header features the YZU logo and the text '元智大學'. The main content area is titled 'Welcome to YZU ,Microsoft Key Management Service'. Below this, there are two tabs: 'Login' and 'Info'. The 'Login' tab is active, showing a 'Username:' field with the value 's954321' and a 'Password:' field with masked characters. A red circle '2' is next to the Username field. Below the password field is an 'OK' button, with a red circle '3' next to it. At the bottom of the page, there is a 'Network Status' section showing three icons: a computer, a globe, and a server. Below these icons are the labels 'Your Computer', 'WAN IP 27.243.176.72', and 'mskms.yzu.edu.tw'.
